The Institute of Professional Investigators SUMMER 2019

DIARY DATE

AGM

26th October
2019

Details to follow

Brendan Tolan MIPI - Principal 2017-2019

It is with much sadness that we report the passing of Brendan Tolan MIPI who has been a stalwart of the Institute for many years and lately as Principal. We offer our condolences and support to Barbara, his family and friends. His funeral service will take place in Wivenhoe, Essex, in September. R.I.P Brendan

Facial Recognition App

Fifty officers in the South Wales Police are to have a facial recognition app installed on their phones to identify suspects without having to take them into a police station. It is another sign that police forces are adopting the controversial technology despite being challenged in the courts.

Malicious Prosecution by Police

Three men charged with the murder of a private investigator have been awarded £414,000 from the Metropolitan Police. The case relates to charges brought in 2008 relating to the murder of Daniel Morgan in a pub car park. Judge of the High Court, Mrs Justice Cheema-Grubb announced the sums after the Court of Appeal found in their favour relating to misfeasance in public office and malicious prosecution.

New Board Members

We welcome Glyn Evans and Steve Smith who have been co-opted to the Board. They will both seek formal election at the AGM in October. Glyn will take over the secretarial reins from Barbara Tolan and Steve will work with David Palmer to take the lead on the IPI Foundation (Private Investigators) Training Course.
