New Website

Access to our new Members section will be granted on your renewal.

We have revamped the website to make it more user friendly for you and your potential clients. We have also updated our logo (see above!). We hope you like the design which we have modernised but have endeavoured to retain the history of the institute by drawing inspiration from the previous logo. We will send out a new logo pack to each member on renewal including Gold, Black and Grey options and in .jpg and .png versions for use on your own sites and other documentation.
